Re: NOTICE OF EX PARTE PRESENTATION
WT DOCKET NO. 10-4

Dear Ms. Dortch:

In a telephone conversation on July 11, 2012, Jim Wilson of Wilson Electronics, Inc. and Moslem Sawez of the Wireless Telecommunications Bureau discussed the extent to which the vehicular use of a signal booster would extend coverage outside the vehicle or inside an adjacent vehicle.

This letter is being filed electronically pursuant to § 1.1206 of the Commission's rules. Should any questions arise with regard to this matter, please direct them to the undersigned.

Very truly yours,

Russell D. Lukas
